Straightforward productivity

High-speed printing does not have to be expensive. The CopyPrinter DX 2430 offers excellent value for your money. Printing an impressive 90 pages per minute, this system is both reliable and user-friendly. Adding spot colours or editing documents for a professional look is easy. This CopyPrinter turns into an extra-fast printer when upgraded with a PC controller.

- High performance • Smart paper feed • Easy colour drum change
- Several editing functions • Optional PC controller

Quality at low cost

Swift service

- Attain excellent productivity levels at 90 prints per minute
- Job flow from master-making to printing takes only one minute
- Turn your CopyPrinter into a high-speed printer with the optional PC controller

Easy and high-quality colour

Spot colour printing becomes uncomplicated and inexpensive with the DX 2430. The colour drum is easy to change. Ten standard colour inks and unlimited custom tints are available. The device offers 300 dpi fine print quality. You obtain the best image printing directly from your PC with the optional PC controller.

Durable and reliable

- New ink pump: Reduced maintenance costs and increased reliability
- Reliable paper feed: Separation mechanism, adjustable feed pressure

Edit directly

- Enlarge, reduce or combine originals without creating a second-generation original on PC
- Get fine print results with mixed documents by using photo/letter mode

Work with thin paper

Do you use light paper types? With the DX 2430 your productivity is never compromised. This system automatically detects a misfeed and instructs the feed system to retry. The DX 2430 handles paper as light as 35 g/m² without any problems.

Think green

Lower your energy bill and reduce your carbon footprint at the same time. The CopyPrinter's printing process does not require any heat. For that reason, it uses significantly less electricity than conventional printers. The CopyPrinter goes easy on the environment – and on your pocket. Lack of emissions ensures a healthy and sustainable work environment.
